

Grammar – Prepositions

60 General Prepositional Phrases – Part 1

Print this page on thin card. Cut out the cards and mix them up. Take a card and say or write a sentence with that prepositional phrase. Try to combine various phrases in the same sentence, paying attention to SVOPT word order: subject – verb – object – place – time:

on the floor	between them
during the day	into the forest
in two days	past the door
at the bank	in a book
at lunchtime	to the end
towards the lake	off the table
in May	on the bus
at work	opposite me
away from the town	at night
in 2024	on Maggie's birthday
at the top	in the evening
under the bed	in a photo
along the floor	at the weekend
to the shops	on TV
at the moment	down the road
