

It's completely  
out of the question

On no account

No way

Forget it

I'm afraid not

I would if I could, but I can't

# No

Nope

Never in a million years

No thanks

Of course not

Nah

# No can do

\*Shaking head\*

Impossible

# Not likely

# Sorry

I'll let you know

Not at the moment

There's no way on Earth
